INTRODUCING THE MICHAEL TY CULINARY AWARD

AUGUST 4, 1953 – AUGUST 22, 2022

Chefs for Kids is honored to introduce the inaugural Michael Ty Culinary Award, named after one of our founders and steadfast supporters in our first 30 years of existence – Michael Ty, CEC, AAC, HOF.

In addition to his work with Chefs for Kids, Michael was dedicated to advancing the culinary community. He was a decades-long member of the American Culinary Federation and held numerous positions, including President of the national organization and Las Vegas chapter. Through this, he mentored several fellow culinarians at all levels in their career.

Michael also believed in educating and mentoring future generations of culinarians. He supported several young culinarian competitions in any way he could; including mentoring chefs participating in Chaîne's Young Chefs program, and established annual funding for one student participant.

Michael always gave with a humble, open heart, and his family continues his legacy of giving and volunteerism to this day. The Michael Ty Culinary Award has been created in his honor to provide academic financial aid to the next generation of culinarians in Southern Nevada.
